At Hummerston's we proudly stock Kaczanowski Christmas hams, made from certified Australian pork.

BEEF GROWN FOR HUMMERSTON'S

It's no secret that the Northern Rivers produces some of the world's best grass fed beef. Reliable rainfall and nutrient-rich pastures provide protein, vitamins & minerals and result in beef that is free of hormones, antibiotics or chemicals.

Our beef is grown on these lush pastures of the Northern Rivers hinterland, resulting in pure grass fed beef that is consistently tender, high quality, best tasting and full-flavoured beef.
